Friendship Committee Jericho – Laerdal***

Laerdal, 23 December 2011

To Jericho Municipality,
Mr. Mayor Hassan Saleh

On behalf of the population in your twin town Laerdal, we hereby wish you and the population of Jericho a peaceful Christmas time and a prosperous, peaceful new year!

At the end of the year 2011 we would like to say thank you for all the cooperation between our two communities this year. We have received two delegations from Jericho, the oldest city in the world, both of them with nice, worthy and clever representatives from your community. They have brought us nearer each other and strengthened the bonds between our two cities. We hope for new visits, e-mails and further cooperation in several ways in the year to come! As newly elected mayor of Laerdal, I look forward to support this important work, through which even more people from our two communities may learn to know each other and our cultures.

Warm greetings to the city council, the friendship committee and to all friends in the City of the Moon!

Yours sincerely,

Jan Geir Solheim
Mayor of Laerdal
